WHO WE ARE

We Are a Baptist Church

Central Baptist Church is a **Bible-believing Baptist church in Decatur.**

We believe the Bible is God's Word, and we want children to learn what it says in a way they can understand.

Our children's ministries are not simply a place to keep children busy during church. **Our goal is to help children know, love, and follow Jesus Christ** through clear, age-appropriate Bible teaching.

We Want to Help Parents

We believe parents have the primary responsibility for raising their children.

Our children's ministry is designed to **support the home**, not replace it.

We want to come alongside parents by *reinforcing biblical truths* and teaching children habits and character that can help them at home, at school, at church, and in everyday life.

WHAT WILL MY CHILD LEARN?

We teach children how Bible truth applies to everyday life.

Children are encouraged to learn how to:

- Listen and participate
- Use and learn from the Bible
- Pray
- Memorize Scripture
- Sing and participate in church
- Show kindness and respect
- Obey and respond properly to authority
- Treat other people well
- Make wise choices
- Apply biblical truth to everyday situations

We believe children can learn serious truth while still having a good time.

That is why our children's programs include **Bible teaching, songs, Scripture memory, questions, games, prizes, activities, and plenty of interaction**, but the Bible remains at the center.

Fun With a Purpose

We want children to enjoy coming to church.

Games, prizes, and activities help children participate, make friends, and build positive memories at church, but entertainment is not our main goal.

We want children to have fun while they learn something that matters.

GOOD FOR CHILDREN. GOOD FOR FAMILIES.

When children are encouraged to develop qualities such as **respect, kindness, honesty, responsibility, self-control, and concern for others**, those lessons can reach far beyond Sunday morning.

We want our ministry to be a positive influence in the lives of children, a *help to parents*, and a benefit to the families and community around us.

A Safe & Orderly Environment

Central Baptist Church takes the responsibility of caring for children seriously.

Our children's workers are expected to follow church child-safety procedures regarding supervision, appropriate conduct, discipline, transportation, and care of children.

We also believe children do best in an environment with **clear expectations, consistent routines, calm leadership, and caring adults**.

Parents are always welcome to ask questions about our children's ministry and our safety procedures.
